This week's whole school attendance is...

Our average whole school attendance so far this year is **94.1%**. The year group with the best attendance in 2023 is now **Year 3**, leading the way with a fantastic 96.4%!

SEATON SLUICE HAS GOT TALENT 2023!

Our fantastic talent show is returning to school on

Wednesday 22nd March 2023!

We are looking for superstar acts to perform at this year's final. All acts are welcome: singers, dancers, musicians, artists, performers, comedians and so much more!

REMEMBER: Auditions will take place on Wednesday 8th March at school.

Water Bottles in School

It is important that we all stay hydrated and we are keen to encourage the importance of drinking across the school day. Some children enjoy drinking water whilst some children do not and as a result will drink very little. For this reason, we have decided that children will now be able to bring water, flavoured water (still) or diluted juice (preferably sugar free) into school in their water bottle. Please remember that energy drinks are not suitable.

Planned Industrial Action

Please look out for important updates about planned industrial action by members of the National Education Union via Parent Mail. Letters will also be sent home to ensure updates are communicated to everyone, providing sufficient time to make any necessary arrangements. Thank you for your understanding.
