

English

We have been working on improving our sentences recently. We have worked on adding similes and metaphors, interesting verbs, engaging adjectives and prepositional phrases. Use this link to access some writing activities for today. I have also added some links to videos that will refresh your memory if you have forgotten any of the things mentioned above.

Note: All children will be able to use this resource for today's work. You can make any of the activities more challenging, or you can simplify them if necessary.

Maths

Hundredths as decimals. Watch this video to help you understand how to record hundredths as decimals- <https://vimeo.com/520024278>

You can complete the worksheet provided or you can complete the questions from the photograph on the website, named Busy Ant work, The Busy Ant work can be done onto a piece of paper. There is also a Powerpoint on the website that you may find useful.

Times tables:

Please practise your 6 times table and any others that you are not confident with. You could use Times Tables Rockstars, www.timestables.co.uk, watch YouTube videos to help you learn them or play games with an adult.

World Down Syndrome Day:

Watch this video to help you to learn and understand about Down Syndrome- <https://www.youtube.com/watch?v=CCCUIsct8Bw>

Spend some time thinking about, talking about and researching all of the things that must be more difficult for a person with Down Syndrome. Talk about some of the challenges that people with Down Syndrome face and what we can do to support them in a non-judgemental way.

Draw or paint a self-portrait on a piece of A4 paper. Make sure it's your best work! Please send a photo of it to me on ClassDojo or email it to nikki.chivers@seatonsluicefirst.co.uk so that it can be added to a whole school display in the hall. The display will aim to show how unique we all are and how wonderful that is.
