## Pixie Measuring

Turn yourself into a pixie! Measure the length of each of part of your body to the nearest centimetre and write it in the measurement row of the place value grid.
Use the place value grids to help you to divide the measurements by 10 and 100 to find your measurements as a pixie.

| Arm Length | Hundreds | Tens | Ones | tenths | hundredths |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

| Leg Length | Hundreds | Tens | Ones | tenths | hundredths |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

| Finger Length | Hundreds | Tens | Ones | tenths | hundredths |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

| Hand Span | Hundreds | Tens | Ones | tenths | hundredths |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

| Head <br> Circumference | Hundreds | Tens | Ones | tenths | hundredths |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

| Measurement |  |  |  |  |  |
| $\div 10$ |  |  |  |  |  |
| $\div 100$ |  |  |  |  |  |

## Pixie Measuring

Turn yourself into a pixie! Measure the length of each of part of your body to the nearest centimetre and record it in the table below.
Use a place value grid to help you to divide the measurements by 10 and 100 to find your measurements as a pixie.

| Body Part | Measurement | $\div \mathbf{1 0}$ | $\div \mathbf{1 0 0}$ |
| :---: | :--- | :--- | :--- |
| Arm length |  |  |  |
| Leg length |  |  |  |
| Finger length |  |  |  |
| Hand span |  |  |  |
| Head circumference |  |  |  |
| Ear length |  |  |  |
| Foot length |  |  |  |
| Nose length |  |  |  |
| Arm span |  |  |  |
| Height |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Choose some other body parts to measure and divide by 10 and 100. Add them to your table.

## Pixie Measuring

Turn yourself into a pixie! Measure the length of each of part of your body to the nearest centimetre and record it in the table below.
Divide the measurements by 10 and 100 to find your measurements as a pixie.

| Body Part | Measurement | $\div \mathbf{1 0}$ | $\div 100$ |
| :---: | :--- | :--- | :--- |
| Arm length |  |  |  |
| Leg length |  |  |  |
| Finger length |  |  |  |
| Hand span |  |  |  |
| Head circumference |  |  |  |
| Ear length |  |  |  |
| Foot length |  |  |  |
| Nose length |  |  |  |
| Arm span |  |  |  |
| Height |  |  |  |
|  |  |  |  |
|  |  |  |  |
|  |  |  |  |

Choose some other body parts to measure and divide by 10 and 100. Add them to your table.
