Outcomes:

- Increased understanding, confidence and competence in Maths and English, improving:

- Understanding of writing for a purpose audience.
- Confidence when writing extended texts.
- Competence in compositional skills.
- Understanding of mathematical concepts.
- Confidence in reasoning.
- Ability to solve problems.

- Increase children's understanding of the personal skills and values needed to achieve their goals, improving:

- Communication skills.
- Ability to work together.
- Confidence in leading.
- Children's behaviour and attendance at school.

- Increase children's enjoyment, participation and skills in competitive and non-competitive sports and promote an active healthy lifestyle.

- Enhance the knowledge, skills and confidence of teachers to improve delivery of PE and School Sport.

"The school's work with Newcastle United Foundation has prompted wider fitness levels and pupils are able to develop expertise in a wide range of sports."

- OFSTED report

Primary Stars is more than just Football.

Combining the expertise of Newcastle United Foundation with the brand of Newcastle United Football Club, and the power of football to bring the curriculum to life.

ENGLISH CURRICULUM

- Develop competence in writing composition.
- Develop reading.
- Comprehension skills.
- Improve confidence and competence in spoken language and listening skills.
- Matched to National Curriculum.
- Available to whole classes and targeted intervention groups.

MATHS CURRICULUM

- Using a range of football-based scenarios, pupils develop their understanding of the management of money and become more confident in calculating across a number of money based problems using all four operations.
- Suitable for Year 5 and 6.

PSHE CURRICULUM (CLASSROOM LESSONS)

- United as One - Develops knowledge and understanding of equality, diversity, discrimination and British Values.
- Match Fit - focuses on healthy eating, the human body, food labelling and leading an active healthy lifestyle.
- Family Learning - helping families enjoy learning together, exploring team work, fair play, health, equality and diversity.

PE CURRICULUM

- Fundamental movement.
- Modified team games.
- Attacking and defending invasion games.
- Dance and gymnastics.
- Striking and fielding.
- Athletics and fitness.
- Multi-skills.
- Problem solving and challenge games.
- Net and wall games.

"The opportunities that working with the Foundation has given us have been brilliant. It has opened so many doors for the children in our school, many who are less fortunate."

- Deborah Doherty,
Deputy Head of Highfield Primary

"Our partnership with the Foundation has helped us provide the children at our school with some amazing opportunities and experiences."

- Daniel Nelson,
Headteacher of Choppington Primary
