

Year 4

Curriculum Coverage

Autumn Term 1

ENGLISH

We will be reading lots of Greek Myths this half term, linked to our History topic. Children will identify key features and have a go at writing one of their own. We will spend much of our time working on reading and writing skills, including use of punctuation and handwriting.

MATHS

This half term, we will be focussing on place value and manipulating numbers up to 10,000. We will look at comparing, finding more or less, estimating and ordering. We will also look at Roman numerals.

SCIENCE

Our topic is '**States of Matter**'. We will investigate and learn about solids, liquids and gases. We will find out how materials can change state as well as how and why this occurs. We will be carrying out lots of investigations and learning how to carry out a fair test.

HISTORY

Over the full term, we will be finding out all about Ancient Greece. We will learn about how the Greeks influenced much of how we live today, culture, occupations, clothing, Empire and Alexander the Great.

GEOGRAPHY

Over the full term, we will be looking at rivers, including how they are formed and the part they play in the water cycle. We will go out and walk our local river, Seaton Burn, and use field work to observe and record the features we can see. We will use practical experiments and ICT to research and investigate famous rivers around the world, and the impact they have.

ART

We will look at the work of Henri Rousseau, and investigate the effects of complimentary colours and colour families. We will improve our observational drawing skills by drawing figures and using these, and our knowledge of colour, to produce an abstract drawing. We will then look at the colour wheel and investigate mixing colours with paint.

Year 4

Curriculum Coverage

Autumn Term 1

MUSIC

In music, we will be singing some part songs, listening to different styles of music and creating some of our own rhythms.

P.E.

We will be working with NUFC and Mr Dowson to improve our fitness, multi-skills and tactical skills.

R.E.

In R.E., we will be exploring the question, 'what is the 'Trinity' and why is it important for Christians?'

FRENCH

We will be learning some conversational French.
