School lunches

We have received positive reports about our school lunches since our provider changed a few weeks ago. We would like to do some consultation with parents and children around our school meals during the autumn term. Watch this space.

School Football

Seaton Sluice First School has a Football Club which runs on a Saturday morning on the school field. It is run by ex-pupils who are now in their 20's and is very well thought of. The children play matches against other Northumberland schools and train weekly. The club is open to all pupils from Year 1 to Year 4. If you are interested in finding out more speak to Mrs Love in September and she will provide more information in the autumn prior to the new season kicking off.
