*Achieve and Believe, Care and Share, Safe and Secure, Enjoy Together*

### Attendance for this week

Reception	Year 1	Year 2	Year 3	Year 4
98.6%	99.3%	99.4%	98.7%	99.6%
Some great results for class attendance this week! Remember our school target is <b>96.2%</b> and excellent attendance really does make a difference to overall experience, enjoyment, social confidence and progress across all aspects of school life.				

### 'Super Splash Heroes' Performance

Children from Reception to Year 4 enjoyed watching a fantastic production from the Gibber Theatre Company on Tuesday. The theme of the performance was based on everyone playing their part in saving water. It was very entertaining and engaging with some excellent learning about environmental issues. We are very grateful to Northumbrian Water who funded this for the school.

### Aldi Get Set To Eat Fresh

Our poster is displayed in the school hall and stickers have started to arrive. We are aiming to fill the whole poster so we can then be entered into the grand draw to be in with a chance of winning £20,000 for the school. Thank you to those families who have already brought stickers into school. For every £30 spent in Aldi, one sticker is given.

### Allergies Awareness

We are a nut free school and request that **no snacks or packed lunch items** contain **any form of nuts**. Our school meal provider, North Tyneside Food Services ensures that all prepared food is nut free. This is very important as we have a number of children throughout school with allergies. We also ask that all snacks in containers are clearly labelled with your child's name and **must not** be shared with other children. This also applies to packed lunch boxes. As you can appreciate, some children have the same lunch boxes and it is critical that children can recognise their own to prevent them eating foods that could potentially cause an allergic reaction. This does not only apply to nut allergies; we have children with a range of allergies and we need to minimise all possible risks to make our school environment as safe as possible for them. Thank you for your support and understanding.

### Parent View

Thank you to everyone who has taken the time to log onto Parent View and complete the OFSTED questionnaire. It would be very helpful to us would welcome people's views on how they feel about the school. The link is:

<https://parentview.ofsted.gov.uk/>

### Reception Parent's Meeting

The children in Reception have settled into school life incredibly well. Mrs Saleh and Miss Hall look forward to meeting parents and carers at a meeting on Monday 23<sup>rd</sup> September at 2:30pm in the school hall. This will provide the opportunity to go through some key information with regard to the teaching of phonics and other basic skills which will be very useful to share. We very much value an effective home school link and look forward to seeing as many parents and carers as possible. Should you have trouble attending due to other commitments, please let Mrs Saleh or Miss Hall know and information will be passed on. Many thanks.

### School Field

Please be aware that on Friday's after school, the field is used for the After School Football Club, a section of the field is strictly for the use of the club. Parents and children not attending this club are welcome to use the remainder of the field but we request that children are supervised and do not interfere with the club due to safeguarding reasons.
