Sun Protection

Please be aware that staff are not permitted to provide or apply sun protection to children. If the weather is sunny, can we request that sun cream is applied before coming into school. We would encourage all of the children to also bring in a hat to protect them from the effects of the sun and bring a water bottle for extra hydration. Thank you for your support.

Nursery Yard

Mrs Sawyers has requested that children and siblings of our pupils (both younger and older) **do not** play in the Nursery yard after school hours. The tyres are regularly removed off the sand pit. These tyres are placed over the sand to keep cats out for health and safety reasons. Many thanks for your support with this.

Key Stage 2 Parent's Meeting

Parents of children **currently in Year 2** are invited to a brief meeting on Wednesday 11th July at 3:20pm in Year 3 classroom with Mrs Dixon, Mrs Walsh and Mrs Bennett. The purpose of this meeting is to explain some slight changes that occur in Years 3 and 4 such as approaches to mathematics teaching and student leadership opportunities. Each pupil will be provided with a school tie at this meeting free of charge and there will be samples of the

KS2 v-neck jumper available with orders being taken by Anne Thomas.

Singing Spreads Sunshine

On Tuesday 19th June, our choir and some of Mrs Gauld's dancers performed at The Whitley Bay Playhouse for the 'Singing Spreads Sunshine' event. This involved a technical rehearsal across the day and returning for the performance in the evening with five other schools from our partnership. We could not have been more proud of our amazing pupils! Their performances were exceptional and it was incredible to see their confidence on the stage. We are hoping to repeat the event on an annual basis. Thank you to staff, children and parents for their support with this truly special event.

Year 3 and 4 Visit St James' Park

White and Purple Class enjoyed a visit to St James' Park on Wednesday 20th June as part of the 'Junior Reporters' project provided by the football club. The trip was fully funded and the children returned to school full of excitement having had an amazing tour. Thank you to the staff who led the trip and our wonderful pupils for their outstanding behaviour.

PTFA Summer Fayre

A reminder that our school fayre will be taking place on Saturday 30th June from 10am-2pm. It will also be 'Finals Day' for the partnership football teams. Matches will be taking place on the school field during the fayre. Good luck to Seaton Sluice First School team and many thanks to the Elliot family who give their time voluntarily for training and organising the various matches. It is very much appreciated.

Year 10 Work Experience Students

Next week we welcome five Year 10 work experience students from Whitley Bay High School. They will be based in different classes and assist with everyday tasks including the organisation of sports days.

Parent/Staff Friendships

Seaton Sluice is a very special community and many of our members of staff have friendships with parents and carers. Can we please request that parents refrain from messaging members of staff with issues such as reasons for absence or to generally pass on a message to class teachers. We request that the school procedure is adhered to by having a conversation with Mrs Heslegrave in the office either over the phone or face-to-face. Alternatively, the Class Teachers are available at the start and end of a school day or a written note is acceptable addressed to the teacher. Thank you for your co-operation.
