World Number Day 2025

On Friday 7th February, many of us dressed in number themed clothing to celebrate NSPCC’s World Number Day, a fun and inclusive maths- themed day. Children from across the school sang songs and completed challenges involving numbers.

Valentine’s Disco

Thank you to the pupils and families who were able to come along and enjoy dancing the night away at our school disco. There was lots of excitement and as well as having a great time, we managed to raise a fantastic £365 for our school fund. This provides a range of enrichment activities and experiences for children across the school. Thank you for your support!

Nursery have been sharing the traditional tale, ‘The 3 Little Pigs’. They enjoyed making ‘Piggy-tail pasta pots’ with fusilli pasta, carefully using a grating tumbler to prepare the cheese. Fantastic work!

As part of their Design and Technology work, Year 3 have been designing healthy vegetable pizzas. Delicious!

Seaton Sluice First School Newsletter 6-Spring Term

A day in the life of...Shell Class (in The Lighthouse).

In English we have been working on 'The Lighthouse Keepers Lunch'. We have written ingredients lists and then made our own pizzas to put in the Keepers packed lunch box. In maths we have been exploring shape and patterns. As part of our science lessons, we tested out objects that floating and sink. We predicted what was going to happen then took turns to test different materials. We had a great time splashing in the water! Finally, we have been out and about in the local area. We role played in the classroom as shop keepers before going to our local co-op where we spent our own money on an item of our choice. On the way there and back, we used a red man and green man symbol to communicate if it was safe to cross the road. Well done Shell class!

Proud to be inclusive!

What exactly does **inclusion** mean to us at Seaton Sluice First School?

*In our school, being inclusive means creating a welcoming learning environment where children, regardless of their ability, background or needs, feel safe, valued and supported. We are committed to regularly **reviewing, reflecting and refining** practice and policies by listening to the views of our staff, governors, pupils and families. Inclusivity is especially important for young children in developing their sense of self, social skills and attitudes to their learning and the world around them. Through our inclusive culture, we promote confidence and curiosity, enabling our pupils to grow academically and socially in a supportive, engaging environment.*

Our school includes:

High quality individual support for pupils with SEND including therapeutic approaches

Flexible teaching approaches to suit different learning styles

Welcoming environment reflecting diversity

Strong, trusting relationships encouraging kindness, empathy and friendships

Enabling classrooms- rich, exciting curriculum delivered with adaptations so pupils have equal access to learning

Parent, carer and community involvement
